Dear parents and carers.

It is with great pleasure that I am writing this piece for my first newsletter as Headteacher of Ewyas Harold Primary School. This week I have been struck by how welcoming and generous the staff, children, families and wider community have been to make me feel at home from day one.

It is an honour to have the opportunity to lead Ewyas Harold on the next stage of its journey. The school has a rich heritage within the village and I have already been struck by the pride and passion that is held amongst all those I have spoken with. I look forward to building on all the good work that has been done before to ensure each child gets the very best education possible.

Previously, I was Headteacher and SENCo at Lugwardine Primary Academy, and before that have held the roles of Deputy head and SENCo at Mordiford Primary Academy and Kingstone and Thruxton Primary respectively. Prior to becoming a teacher, I worked in London as a journalist.

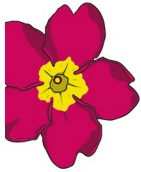

I am looking forward to working with the whole community and I believe that the relationship between parents, staff and pupils is crucial to the success of the school. By working together we can ensure the children have a love of school and learning, make excellent progress and leave us ready and prepared for the next steps in their education. I have high expectations of the children and expect excellent, respectful behaviour, a positive, hardworking attitude to learning and to arrive at school on time, ready to learn and in the correct uniform.

I will be on the gate in the morning and afternoon, please come and introduce yourself and I look forward to meeting more of you in the coming weeks.
