

Good morning

As we come closer to the end of term the children have continued to demonstrate what fantastic, talented and hard working pupils they are. In the last two weeks we have had children on trips, taking part in sports events, engaging with transition days, completing cycling proficiency training, performing to parents and all while also continuing with their learning in the classrooms.

It was lovely to welcome in so many parents, friends and relatives for Sports Day last week. The atmosphere greatly helped the children do their best as they made their way around all the stations. Seeing all the children active and engaged for the whole afternoon is exactly what sports at this age are about and my thanks go to Mr Davies and the staff team as well as the PTFA who provided invaluable support. As with all events at the school, we review after it has taken place and are already planning next year's sports day to make it even better.

In the last two weeks both our youngest and oldest children have held performances. Reception shared their year of learning with parents and relatives last week and it was incredible to see how far they have come in such a short time. This was then followed by the Year 5/6 production of 'What's the Crime Mr

Red Team - this year's Sports Day winners with a fabulous 552 points.
2nd place went to Yellow Team with 537
3rd place to Blue Team with 534
4th place to Green Team with 527

Wolf?' in the Memorial Hall. The show was an incredible demonstration of what children can achieve and it was performed with such positive energy, with children supporting each other and stepping in last minute, that the football result after the final performance was just the icing on the cake.

As well as more trips and events today and in the final week, the children will be 'moving up' for the morning to their new class with their new teachers. This will take place on Tuesday and gives the children a great taste of life in September.

We are pleased to inform you we will be joined in September by two new members of staff.

Mrs Sian Murcott will be joining us as a teaching assistant in Reception to work alongside Mrs Jones and Mrs Humphreys.

Mrs Sam Herron will be joining Mrs Mailes in the office as admin assistant. We look forward to giving them a warm welcome.

Please could all pupils bring in one carrier bag to school as soon as possible, so that we can start collecting their books and bits together for the end of the year.

What's the crime, Mr Wolf?

Under the watchful eye of Lord Feathers of Eiderdown, Fabletown's Forest Court meets to bring charges against Mr Wolf for his dastardly deeds. The prosecutors, Mr Hugh Mann and his assistant, Justin Case, call a range of characters to give evidence from Johnny Mole (secret agent) to the Three Little Pigs and Red Riding Hood. But are the well-known characters of fairy-tale just what they seem? And how can a non-vegetarian human accuse a wolf of being a meat eater?

In this courtroom comedy we have wacky, singing squirrels as clerks of the court; Sergeant Trunk, Constable Twig and police dog 'Bark' from Special Branch giving evidence; protesters more interested in pizza meal deals than protesting and secret agents that self-destruct.

Even the audience are part of the trial - they are the jury and must decide whether the verdict is guilty or not guilty!

What a fantastic performance by Year 5 &6 they all did amazingly well.

On Friday, KS1 went to Aberavon beach.

The forecast wasn't great, but we weren't going to let that stop us from going on our planned day out.

The children were so excited and when we got there the weather couldn't have been better. It stayed dry and warm all

day and the children had the most fun.

They built sandcastles; paddled in the sea; found crabs; collected shells and enjoyed ice lollies on our way home.

The behaviour of the children was exemplary. Well done, KS1!

Well Done to the 8 pupils who currently have 100% attendance for the year. ✓

Well, Class 2 not only managed to stay at the top, but they were the only class with an increase in attendance over the last two weeks! Well Done. Classes 3 & 1 tried hard to catch up but unfortunately couldn't sustain it.

Unfortunately, the total decreases outweigh the increases and therefore, the overall percentage has dropped again by nearly 0.2% to 95.63%.

Percentage Attendance for each Class for the year to date.

Class 2	↑	96.83%
Class 3	↓	96.36 %
Class 1	↓	95.87 %
Class 4	↓	95.09 %
Class R	↓	94.03 %
Total Percentage	↓	95.63%
